THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the inhabitants of the Town of Harrisville in the County of Cheshire in said State, qualified to vote in town affairs :

You are hereby notified to meet at Eagle Hall in said Harrisville on Tuesday, the ninth day of March, next, at nine-thirty of the clock in the forenoon, to act upon the following subjects :

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to observe Old Home Day and make an appropriation of \$100.00 for the same.

4. To see if the town will vote to accept state aid for highways and raise and appropriate and set aside for said purpose \$1,392.00 or will accept state aid construction for Class V roads and raise and appropriate or set aside for said purpose the sum of \$487.38.

5. To see if the town will vote to appropriate, borrow or raise by taxation a sufficient sum for material and supervision for W. P. A. applications approved, or which may be approved, by the Federal Government.

6. To see what sum, if any, the town will vote to install heat in the selectmen's room and library.

7. To see if the town will vote to appropriate \$50.00 to be used under the direction of the Monadnock Regional Association.

8. To see if the town will vote to authorize the selectmen to contract with the state highway department to apply oil and tar to the Back Hill and School Street, also around the new cement bridge, or act in relation to the same.

9. To see if the town will vote to put in shape and oil and tar 1,500 feet of the road leading from the state highway towards the residence of Wellington Wells as far as the intersection of the Roxbury road.

10. To see if the town will vote to instruct the cemetery agent to enlarge the entrance to the tomb and appropriate money for the same.

11. To hear the reports of agents, officers and committees heretofore chosen and pass any vote relating to the same.

12. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.

13. Is it expedient to alter the constitution?

14. To see if the town will vote to raise and appropriate the sum of \$200.00 for blister rust control to be used in co-operation with the state forestry department.

15. To see if the town will vote to grant the fire wards the right to take the fire apparatus out of town when requested by the proper authority.

16. To see if the town will appropriate a sum of money to furnish a summer playground, the amount to be decided by the town.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and thirty-seven.

BERNARD F. BEMIS,
JOHN D. GRIMES,

LIBRARIAN'S REPORT

The past year has been a successful one for the library. One new deposit station has been established at the home of Mrs. Casper Bemis in Chesham, bringing the number of deposit stations to four. New chairs have been purchased to give patrons a chance to read at the library.

The number of people taking advantage of the library facilities has almost doubled during the past year. It is a pleasure to note that many of our new patrons are from Chesham. Circulation has been as follows: Adult fiction, 1,760, juvenile fiction, 1,689, non-fiction, 690.

We thank the following for gifts of books: Dublin Library, Mrs. Scott of Silver Lake, Mrs. Glazier, Mrs. Bennett, Miss Bertha Seaver, Mr. Wellington Wells, Mr. Thompson, Jerome Rogers, Nancy Greene, Charles Bergeron, Mary Trudelle, Paul Lavigne and Richard Horton.

Respectfully submitted,
HELEN B. THAYER,
Librarian.

REPORT OF VOLUNTEER FIRE DEPARTMENT

The past year the following equipment has been added to the fire department:

- 500 feet of fire hose.
- 30 feet of suction hose.
- 1 roof ladder.
- 1 foam extinguisher.
- 6 recharges for same.
- 6 smoke masks.
- 2 pair goggles.
- 2 axe holders.
- 1 bar holder.
- 1 Siamese with double shut off valves.
- 2 hose nozzles.
- 1 Booster hose basket. Donated by Arthur H. Blanchard company.

The volunteer firemen wish to extend their thanks to the Ladies' Aid society and all others who helped make our benefit whist parties a success.

The sum of \$35.00 was realized from the two parties. Of this amount \$25.00 was spent for a siren, which was placed on the town barn where the fire equipment is housed.

The balance of the money, \$10.00, remains in the treasury.

The department was called out to 19 chimney fires, 2 brush and grass fires in the past year.

RECOMMENDATION

The fire wards recommend the purchase of 1 extension ladder, 4 extinguisher holders and a new driver's seat for fire truck.

Respectfully submitted,
 JOHN N. CLARK,
 Fire Chief.

A new heating system has been installed at the Village school in accordance with the vote passed at the last annual school meeting. The question of obtaining water for this purpose was a difficult one. It was, however, satisfactorily solved through the generosity of the Cheshire Mills Company who allowed an extension of their water system on School street to the schoolhouse.

We wish to take this opportunity to thank the Cheshire Mills Company for this courtesy which has been a great financial saving to the town.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Harrisville:

I herein submit my fourteenth annual report as superintendent of schools.

ORGANIZATION FOR SCHOOL YEAR 1936-1937

School	Teacher	Enrollment Feb. 1
Harrisville Grammar,	Annie E. Boynton,	23
Harrisville Primary,	Claudia Croteau,	22
Chesham,	Beatrice Hickey,	24

We note one change in our staff of teachers, Miss Hogan having resigned, Miss Claudia Croteau, a graduate of Keene Normal with high standing, was assigned to the Harrisville Primary.

At time of writing, all the schools are running smoothly, almost free from the prevailing epidemic of colds and grippe, the pupils maintaining normal progress and give promising evidence of a successful year. The installation of steam heat at the village schools has been conducive not only to the comfort of the pupils but also a source of protection to the health and welfare of the scholars and an incentive to better scholastic work.

For health activities, consult the report of Miss Harris.

PROMOTIONS

The following numbers of promotions in respective grades were made in June:

Grades	I	II	III	IV	V	VI	VII	VIII
Harrisville Gram'r,					9	5	3	7
Harrisville Primary,	5	6	2	7				
Chesham,	1	4	2	4	2	5	2	3
	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
Totals,	6	10	4	11	11	10	5	10

These promotions were made on the following points: Regularity of attendance, term rank, standard tests and examinations given by the teacher.

Metropolitan Achievement tests were given; one at mid-year and one in June.

The Otis Standard Graduation examination for elementary schools was given to the eighth grade.

The standards attained by the respective grades showed the pupils were well graded.

OTHER CORRECTIONS

Defective vision,	2
Diseased tonsils,	3
During the year 65 school visits were made.	

61 home visits were made to encourage parents to have their children's defects corrected and to instruct them to care for communicable diseases.

Visits were made to school officials to discuss matters pertaining to the health work in the school.

The cod liver oil and milk during the past three years has been very beneficial to the children; with the correction of defects, leaving them free to gain, many have overcome a tendency to malnutrition.

"The weighing and measuring procedure has been an activity of great interest to the children and parents. The child sees in his gain in height and weight evidence of his own growth."

Milk is most essential in the child's diet; it is needed to supply calcium for the growth of bone and teeth and contains many other food substances necessary to normal growth and development of children. If possible parents should see that each child drinks three or four glasses of milk daily.

The first teeth must be watched carefully and kept clean; when the baby has two or three teeth, a little cotton on a tooth-pick or a small soft brush should be used to remove particles of food from between and around them. If through carelessness or oversight a cavity appears it should be filled immediately.

Many children who have come to the clinics have previously lost or have to have extracted from one to all four of the so-called "six year molars" which most parents do not trouble about, thinking them temporary teeth.

The presence in the mouth of decayed and abscessed teeth, both temporary and permanent, increases the susceptibility to communicable diseases, helps to infect tonsils, cause enlarged glands, digestive disorders and other troubles.

The old adage "An ounce of prevention is worth a pound of cure," could gainfully be applied to the teeth.

Ask your dentist's advice about the baby's teeth. Children need not have fear; usually they like to go to the dentist.

I thank the school officials, teachers, parents and pupils for their help and interest in the health work.

Respectfully submitted,
MARGARET E. HARRIS, R. N.

AUDITOR'S REPORT
